

As we seek to obey Christ's command to "Go ye into *all* the world and preach the gospel..." we find the world wide web to be a good tool for the task. Please recommend our website: www.southportbaptistchurch.com to friends who might be curious about us. They will find a "Fee Gift" there, which we do not mean to be deceitful, it really is the greatest thing in the universe! If you have questions about the website or suggestions for it, Gordon Jones is the man to see.

Brother David Morse put our youth group on Facebook a year ago and they still use "Southport Baptist Teens" to keep them informed. Activity plans and Bible study topics, as well as comments after the events can often be found there.

Most recently Drew Jones has put us up on Facebook as a church. Amazingly we are the first "Southport Baptist Church" to get a page. We will try to post updates and activity comments there, and you can help with that. A great way to get the word out (and perhaps get THE WORD out) is to simply give

us a "like" so that your cyber-friends will know that we are available on-line.

Last Week from our Pulpit:

"When Paul encouraged people to endure trials and be patient, he was a good example through a great many personal hardships. His patience in his education is a powerful example as well. God's children today also need to be equipped to stand against many false teachers, with a great many souls at stake. Can the Lord get us to faithfully show up for training three or four hours a week? Can He count on us to report to Him with our Bibles each morning?"

A word to visitors from our pastor:

We are glad to have you with us today. I hope that our services will be a blessing to you.

We desire that Southport Baptist be a warm, friendly church, and for God to use us to help our neighbors and friends. When someone near us is confronted with heartache and difficulty we want them to know that God cares, and so do we!

Our church believes and proclaims the old fashioned message that can save souls and change lives. We would like to share with you the joy of life in Jesus Christ. I invite you to experience the excitement of being part of a growing, caring church!

Please give me a call if there is ever anything that I can do for you (at church 857-8063, my cell 496-3739, or at home 764-9849).

Yours in Christ's service,

Pastor Scott Jones

Let's Pray for 70K!

We have about \$174,000 left on the mortgage for this building, because we have paid down \$60,000 in the last two years, Praise the Lord! If we paid another \$70,000 we could start looking toward the second phase of this building! Our prayer is that God will allow us to pay down \$70,000 of the mortgage in 2012, which would be a miracle that only He could do!

Please make this a regular prayer request.
